

Illinois Early Learning Tip Sheets

*IEL tip sheets are easy-to-read, one-page resources on a variety of topics of interest to parents, teachers, and caregivers of young children. All tip sheets are available in English, Spanish, and Polish. Many are also available in French, Arabic, Korean, and Simplified Chinese. You can download all PDFs from our website and include them in printed or online correspondence such as newsletters, emails, text messages, or social media posts. You also can print them directly from our website. Here is our entire list of tip sheets. Graphic tip sheets are in **bold**.*
